

Farm, Feast and Film

Stories of farm diversification

You're invited to

Join us for an evening under the stars...

Enjoy a **superb three course dinner** featuring local produce, and be enticed by guest speakers sharing their **success stories of diversification**.

Your night will conclude with a film from across the globe "**Polyfaces - A world of many choices**" – dubbed the world's most innovative farmer by Time Magazine.

Guest speakers from:

- » Dawson Valley Free Range – Baralaba
- » Freckle Farm – Mackay
- » Rosegum Alpacas – Springsure

Have you explored options to diversify your farm?

Great social and networking event with others from your industry

Date **Thursday 16 March**

Time **5.30pm till late**

Location **Bridgeman Park Sporting Complex, Capella**

Tickets **\$85 per person**

While in Capella you could take the opportunity to attend the Future Food and Fibre conference or just come along to the dinner – the choice is yours.

Book online at www.chrrup.org/conference-information/, and select 'Register Now'.

Dinner tickets can be purchased separately to the conference.
Bar available for drink purchases.
